## EXECUTIVE SUMMARY

Golden Crust is replaced with Banana Churros — a start-up food business that offers freshly made, crispy churros made from ripe bananas, fried to a golden perfection and served with delicious dipping sauces. The business serves students and customers at nearby areas, offering a quick, tasty, and affordable snack option.

Banana Churros' mission is to provide delicious, affordable, and freshly made banana churros that satisfy cravings anytime and anywhere. Banana Churros aims to introduce a new go-to snack for students, gain loyal customers, and expand its reach through consistent quality, good service, and creative marketing.

## BUSINESS DESCRIPTION

### BUSINESS NAME

OSQE Banana Churros — a snack business built on the idea of turning everyone's favorite fruit into a warm, sweet, and satisfying treat. The name reflects the golden, crispy exterior of our freshly fried banana churros and the soft, sweet goodness inside. It symbolizes warmth, comfort, and the joy of enjoying a warm, freshly made snack. Banana Churros represents not just a snack, but a fun, convenient, and affordable way to enjoy a delicious dessert anywhere.

### MISSION STATEMENT

To provide delicious, affordable, and freshly made banana churros that satisfy the cravings of every student and customer.

### PRODUCT/SERVICES

**Banana Churros** — made from ripe bananas mixed into a soft dough, shaped into sticks, fried until golden and crispy, and served with a choice of sweet dips such as chocolate, caramel, or powdered sugar.

**Pre-order Service** — allows customers to order in advance for delivery during their preferred time.

**Distribution Service** — our group sells directly to nearby areas of ESSU Main for convenience.

**TARGETMARKET**

The main target market for Banana Churros is students, teachers, families, and young professionals who are looking for a delicious, affordable,and convenient snack. Our business aims to offer freshly prepared banana churros that are crispy on the outside and soft on the inside.They are perfect for merienda, and school breaks.

**COMPETITIVEADVANTAGE**

Banana Churros stands out by combining the natural sweetness of bananas with crispy texture of churros. Our product offers a unique and enjoyable taste that customers can enjoy at an affordable price. It is freshly prepared and can be served with sugar or other delicious toppings. Banana Churros is a good choice for customers who want a tasty snack without spending too much money.

**OBJECTIVES**

1. To provide delicious, freshly prepared, and affordable Banana Churros for students and other customers.
2. To offer friendly and fast service to satisfy customers and encourage them to buy again.
3. To maintain the quality, cleanliness,and taste of our product.
4. To improve our product based on customer feedback and suggestions.
5. To promote Banana Churros as a popular and affordable snack in the community.

**MARKETANALYSIS**

**Industry Overview**

The snack food industry in the Philippines continues to grow because many people enjoy affordable and convenient snacks. Students, workers, and families often look for food that is delicious, easy to eat, and suitable for merienda. Popular snacks such as bananacue, turon, fries, and donuts are commonly enjoyed by Filipino consumers.

Banana Churros can be a good addition to this market because it combines the familiar taste of bananas with the crispy texture of churros. Since bananas are commonly available in the Philippines, they can be a practical ingredient for preparing this product. With an affordable price, appealing presentation, and good taste, Banana Churros has the potential to attract customers, especially students and people who enjoy sweet snacks.

**TARGET MARKET DEMOGRAPHICS**

**Age**:10– 25 years old

**Location**: Areas near schools, universities,or residential neighborhoods.

**Gender**:Allgenders.

**IncomeLevel**: Low-tomiddle-income consumers who prefer affordable and delicious snacks.

**Lifestyle**: Students, workers, and families who enjoy convenient, sweet, and freshly prepared food. They often look for affordable snacks during breaks, after school,or during their free time.

**Banana Churros Primarily Targets**

1. Students who want an affordable and delicious snack to eat during school breaks.
2. Young professionals and workers who need a quick and satisfying snack during breaks or after work.
3. Families who want a sweet and enjoyable snack for merienda or family gatherings.
4. Snack lovers who enjoy trying new food products made with familiar ingredients.

**COMPETITION**

The main competitors of Banana Churros are businesses that sell similar sweet snacks and fried food products. These include turon vendors, bananacue sellers, donut shops, and churros sellers. Convenience store sand other food stalls can also be indirect competitors because they offer affordable snacks.

However, Banana Churros can standout by combining the familiar sweetness of bananas with the crispy and enjoyable texture of churros. Its affordable price, freshly prepared quality, and different topping options can make it attractive to customers who want to try something new.

**Direct Competitors**

The direct competitors of Banana Churros are banana snack vendors, and food businesses that sell similar banana-based or fried sweet snacks.

**Indirect Competitors**

The indirect competitors are bakeries, donut shops, convenience stores, and food stalls that offer other sweet snacks and ready-to-eat products.

**SWOT ANALYSIS**

1\. **Strengths**

* Affordable Product: Banana Chorus can be sold at a reasonable price, making it affordable for students and other customers.

* Delicious Taste: It offers a sweet and enjoyable taste that can attract customers.

* Locally Available Ingredients: Bananas are commonly available in local markets, making them accessible for production.

* Easy to Prepare: The product can be prepared using simple ingredients and basic cooking equipment.

* Unique Product: Banana Chorus can stand out from other snacks because of its unique name and product concept.

2\. **Weaknesses**

* Short Shelf Life: The product may spoil quickly if it is not stored properly.

* Limited Production: The business may have limited production capacity, especially when starting with a small budget.

* Product Consistency: Maintaining the same taste, quality, andappearance in every batch may be challenging.

* Limited Brand Recognition: As a new business, Banana Chorus may not yet be well-known to customers.

* Dependence on Fresh Ingredients: The quality of the product depends on the freshness of the bananas and other ingredients.

3\. **Opportunities**

* Growing Snack Market: Many students and workers look for affordable and delicious snacks.

* Online Marketing: Social media platforms such as Facebook and TikTok can help promote Banana Chorus to more customers.

* School and Community Events: The business can sell its products during school activities, local events, and community gatherings, subject to applicable rules.

* Product Innovation: The business can introduce different flavors, toppings, or packaging options to attract more customers.

* Business Expansion: If sales increase, the business can expand its production and offer the product to nearby stores and food stalls.

4\. **Threats**

* Strong Competition: Other snack sellers may offer similar products at competitive prices.

* Fluctuating Ingredient Prices: Changes in the prices of bananas, cooking oil, sugar, and packaging materials may affect production costs.

* Changing Customer Preferences: Customers may become interested in other snack products.

* Food Safety Risks: Improper food handling and storage may affect product quality and customer satisfaction.

* Unexpected Supply Problems: Weather conditions or supply shortages may affect the availability and price of bananas.

## MARKETING STRATEGY

Banana Chorus focuses on building brand awareness, attracting students and young consumers, and promoting the delicious taste, affordability, and convenience of banana-based snacks.

### Product Strategy

Banana Chorus maintains product quality by using fresh bananas and other quality ingredients to ensure a delicious taste and satisfying texture. The product is prepared carefully to provide customers with a tasty and enjoyable snack. It is suitable for students, families, and snack lovers.

### Pricing Strategy

Banana Chorus offers affordable and student-friendly prices to encourage customers to try the product. Its pricing is designed to be budget-friendly while maintaining good quality and earning a reasonable profit. Discounts and special offers may also be provided during promotional activities.

### Place (Distribution)

Banana Chorus sells its products near schools, universities, local communities, and public markets to make them accessible to customers. The business may also accept advance orders through social media and offer convenient pickup or local delivery.

### Promotion Strategy

Banana Chorus uses social media platforms such as Facebook, TikTok, and Instagram to promote its product. Attractive photos, short videos, customer feedback, and special promotions help attract potential buyers. Free taste samples and limited-time discounts may also encourage customers to try and recommend the product.

### Branding

Banana Chorus represents deliciousness, affordability, and creativity in every serving. The brand aims to become a favorite snack among students and families by offering a tasty and enjoyable banana-based treat. Its branding uses bright yellow and brown colors to represent bananas, sweetness, and freshness. Attractive packaging helps make the product appealing, convenient to carry, and easy to enjoy.

The slogan “Banana Chorus: A Sweet Taste in Every Bite!” highlights the product's delicious flavor and enjoyable snacking experience.

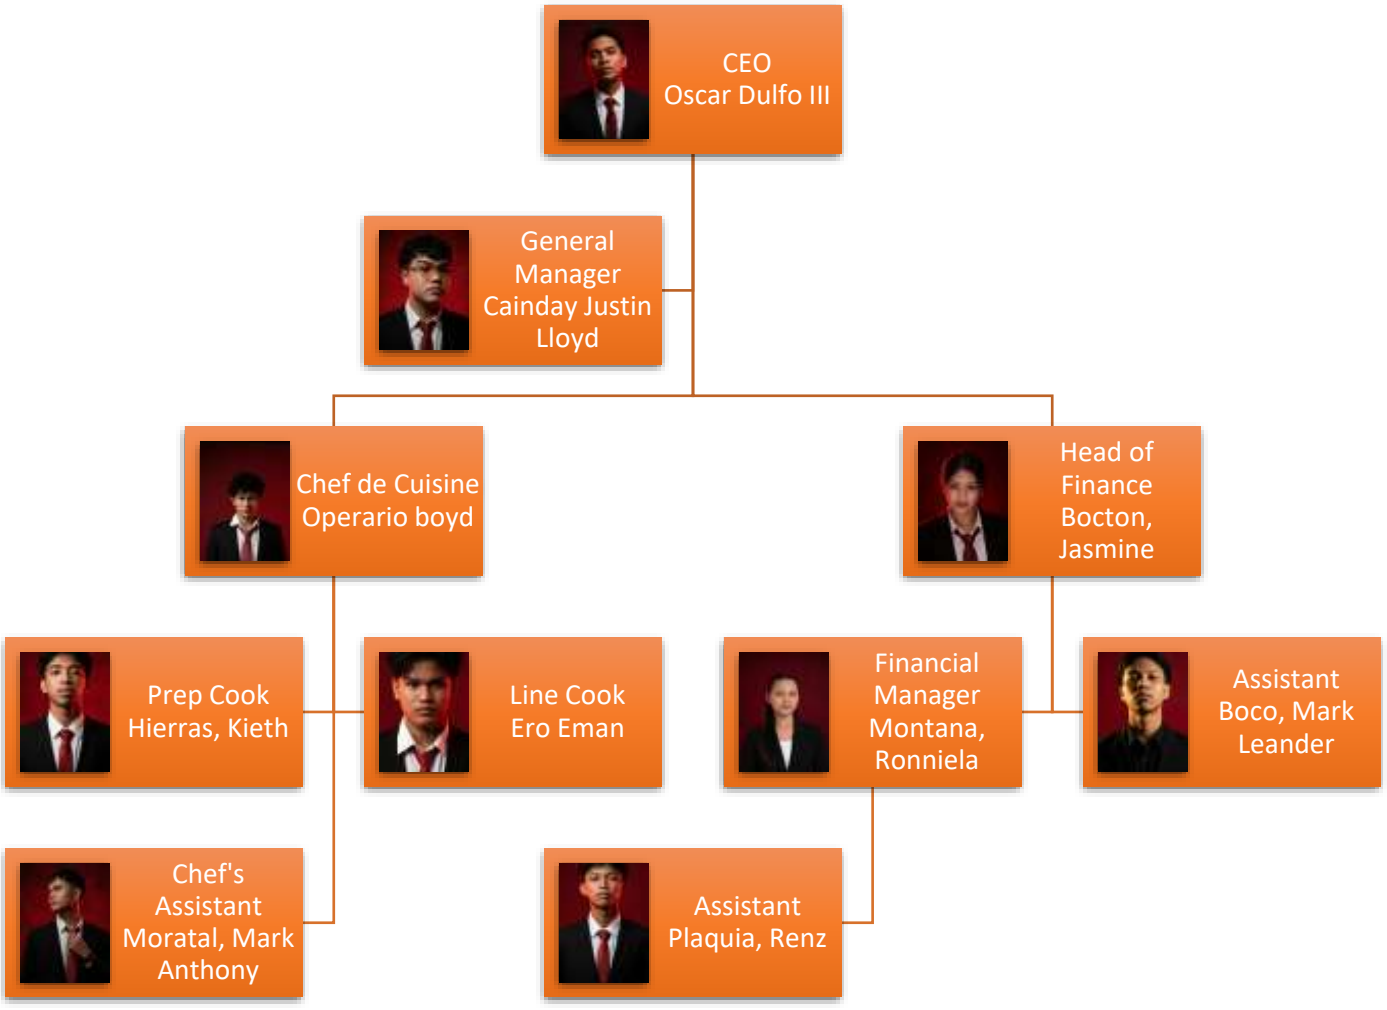

Together, these strategies help Banana Chorus attract customers, build brand recognition, and encourage repeat purchases. Through quality ingredients, affordable pricing, effective promotion, and convenient distribution, Banana Chorus aims to become a popular and satisfying snack choice for all occasions.

**FINANCIAL PLAN**

**OSQE BANANA CHUROS**

**SGtart-up Costs**

| **Item** | **Amount PHP** |
|---|---|
| **Equipment :**<br>● Frying Pan<br>● Gas Butane<br>● Tong<br>● Plate<br>● Tupperware | |
| Initial Inventory | ₱400 |
| Marketing & Branding | ₱50 - (1pack) |
| **Total Estimated Capital** | ₱800 |

Our start-up cost includes the key cooking tools required to start the business operation. Specifically a Frying Pan, Butane Gas, Tong, Plates, and Tupperware , which is will be used for food preparation and serving.

**Product Costing**

| **Ingredients** | **Amount PHP** |
|---|---|
| Flour | ₱80 |
| Margarine | ₱110 |
| Sugar | ₱50 |
| Oil | ₱140 |
| Banana | ₱240 |
| Egg | ₱20 |
| Bear Brand ( milk Powder) | ₱24 |
| Milo | ₱16 |
| **Packaging** | **Amount PHP** |
| Lunch Pack | ₱0 |
| **Total Cost** | **₱680** |

The financial plan consists of ingredients with the following costs : flour at **₱80**,margarine at **₱110**, sugar at **₱50**, oil at **₱140**, banana **₱240**,egg at **₱20**, bear brand milk at **₱24**, milo at **₱16**.

And packaging material include lunch pack was free so it was valued at **₱0**. In total cost for ingredients and packaging is **₱680**

**Revenue Forecasts**

| Day | Estimeted Sales(PHP) | Estimeted Net Profet(PHP) |
|---|---|---|
| Day 1 | ₱600 | ₱150 |
| Day 2 | ₱600 | ₱150 |
| Total | ₱1200 | ₱300 |

The revenue forecast shows the expected daily sales and profit of our product. Which is shows that it has estimated daily sales of **₱1200** and a net profit of **₱300**.

**Final Gross Profit**

Total of Investment : ₱400

Day 1 (12 pcs sold out ) in total of = ₱600

Day 2 (12 pcs sold out ) in total of = ₱240

Overall Total = ₱840

Capital = ₱500

Overall Profit together with the Capital = ₱840

₱840 - ₱400 = ₱440

**Final Cost Profit = ₱440**

**APPENDICES**

**FIRST MEETING**

**The first meeting was conducted at the place in our group mate, we discussed about strategies that we should apply on our product testing .**

**FINAL PRODUCT MEETING**

**After the product testing, we proceed to final product and we decided to add more ideas like adding some toppings like powder milk or milo.**
